

FIRST EAGLE SECURITY LTD

PRIVACY POLICY

First Eagle Security Ltd to ensuring that your privacy is protected.

This Privacy Policy tells you what to expect when we collect personal data about you.

Topics

1. What data we will collect about you
2. How we will use the data collected about you
3. How long we keep your data
4. Access to your data and corrections/changes
5. Sharing your data
6. Complaints
7. How to contact us

1. What data we will collect about you

We collect personal data about you if you purchase or register for products and/or services by email, telephone, in person or by post. We also collect personal data about you when you visit our website.

2. How we will use the data collected about you

All personal data is processed and stored securely.

We will use the data you provide to supply our products and/or services to you and to provide and manage contact via email, mail or telephone.

As well as for providing the services you have requested we may use the information collected for marketing purposes to provide you with information and news on our services. However, we will seek your specific consent to do this and will also ask you to confirm what sort of information you would like to receive from us and by what method. You can withdraw consent or change your preferences about marketing activities at any time by contacting us using the details below.

3. How long we keep your data

We retain the personal data you provide when requesting a quote, making an enquiry or placing an order with us indefinitely in order to enhance our relationship. You have the right to request that we delete your personal data at any time by contacting us using the details below.

G Asghar

Information collected for marketing purposes will be held indefinitely. However, you can withdraw consent or change your preferences about marketing activities at any time by contacting us using the details below.

Access to your data and corrections/changes

If you would like to know what information we hold about you, please write to us using the contact details below.

Please notify us if any of the information we hold about you has changed or is incorrect, we will be happy to update this for you.

4. Sharing your data

We may need to provide certain third-party organisations with your information to provide our services to you such as a courier for delivery goods and our factoring provider. We will only provide them with the information they require and will only permit them to use the information for the required purpose only.

Your information may also be viewed by our IT provider in order to maintain our server and computer security.

If any such third party has used your information for any other reason without your consent, please notify us using the details below and we will investigate the matter.

We do not sell or share for marketing purposes, our customer's e-mail lists.

5. Complaints

We strive to meet the highest standards when collecting and using personal information. For this reason, we take any complaints we receive about this very seriously.

If you think that our collection or use of information is unfair, misleading or inappropriate please bring it to our attention. You may report any concerns regarding the way in which we have handled your personal data by contacting the Information Commissioner's Office.
